Centurions Camp 2016

10th – 12th June 2016

Black Isle Show Ground

I happy to confirm that our third Regional Camp is being held over the weekend on 10th – 12th June 2016 at the Black Isle Showground, Muir of Ord, Highland, IV6 7RS.

We're planning a fantastic weekend of fun and activities for everyone, and remember with the change in POR removing the limitation of no more than one night away, **Beavers can now attend for the full weekend if they want, but we're still keeping the** option of them attending for Saturday daytime if they want as well. The theme for camp this time is Centurions – Romans with a loose link **into the Cub's centenary in 2016.**

Keith Moncur and Glenn Denny are heading up the programme for the weekend. Activities will be more focused around the different sections, and camping will be by Section rather than by District, giving the different age ranges a greater opportunity to mix and have fun together.

The cost for the camp including food and all reasonable and authorised travel is £35 for Beavers, Cubs, Scouts, Explorers and Network attending for the weekend and £15 for leaders and Beavers (attending for Saturday only).

Calum Swanson has again agreed to co-ordinate transport arrangements, please ensure that you co-ordinate with Calum prior to making **any confirmed bookings**. Calum's contact details are calum.swanson@gmail.com or 07912 365464.

Booking forms are included and must be completed and returned along with a Group/Unit Summary Form and the relevant camp fees no later than 30th April 2016 (earlier returns would very much be appreciated) to allow us to make plans sooner rather than later. We cannot guarantee to be able to accommodate bookings received after 30th April.

For Explorers attending under an Event Passport, there must be a nominated Leader in Charge in District who has approved the attendance under Event Passport. A copy of the completed Event Passport should be submitted with the forms for the camp. Leaders for Explorers attending under an Event Passport are more than welcome to attend camp and help out for the weekend.

Craig Walker and Keith Moncur are looking after the administration of camp bookings, with Craig looking after admin over the camp weekend. If you have any queries, please contact them on regionalcamp2016@gmail.com or 07764 250000 (Craig) or 01847 895278 (Keith)

I look forward to seeing you at the camp and to having another fantastic weekend.

Jenny Steven

Regional Commissioner
